We have smiles for the passing stranger,
And smiles for the passing guest;
But we treat our own to a bitter tone,
Though we love our own the best.

WOMAN'S PART IN MAN'S SUCCESS—

Often the strongest impulse to save comes from the woman of the household.

Every man should consider himself fortunate who has a wife or mother who helps him to save money. The important part about saving is not the amount of money you set aside each week. The essential thing is the firm decision to save a definite, regular sum, no matter how small it may be. Even \$1, saved regularly each week, will make your savings grow amazingly.

FORD PRICES BEFORE THE WAR

In 1904-1905 and 6 Ford Touring Cars sold for \$2,000.00 F. O. B. Detroit.

The new price is \$440.00 F. O. B. Detroit and the present Ford cars are the best cars the Ford Motor Company ever made.

Regardless of 146,065 orders on file for immediate delivery and millions of dollars worth of high priced raw materials on hand, the new Ford prices were fixed on a pre-war basis in an effort to bring the business of the country back to normal again.

The war started in 1914. Compare the new Ford prices, now in effect, with the 1914-15 prices.

	New 1920 Ford Prices	1914-1915 Ford Prices
Chassis	\$360.00	\$410.00
Runabout	395.00	440.00
Touring Car	440.00	490.00
Sedan (with starter)	795.00	975.00*
Coupe (with starter)	745.00	750.00*

(* without starter.)

All the above prices are F. O. B. Detroit.

The new Ford prices are a cut to the limit. The new Oregon allotment of 1176 Ford cars per month assures you of reasonably prompt delivery.

You want one—you need one. Place your order now and get one.
